Navalny

Putin's Nemesis, Russia's Future?

'An engaging and timely book about Navalny the man, the politician and the protester.'

— Luke Harding, *The Observer*

'Anyone reading [*Navalny*] from the safety and comfort of Britain will be daunted, humbled — and outraged.' — Edward Lucas, *The Times*

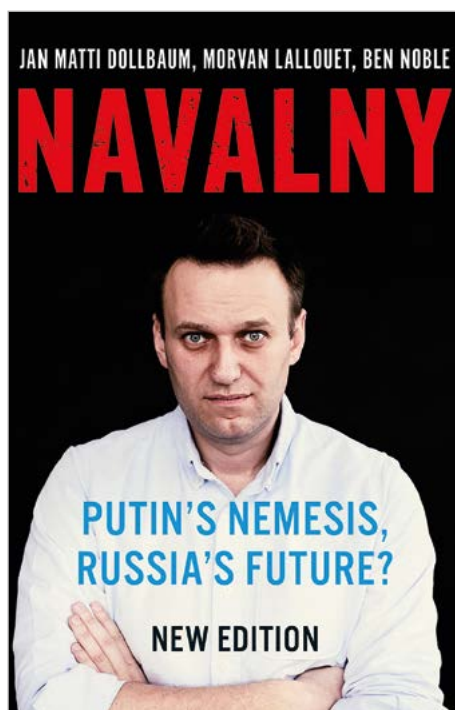

'A fair-minded and comprehensive guide to a man who may yet play a major role in the future of Russia.' — *Financial Times*

'[A]n important and valuable book on a figure central to our understanding of Russia's present and future.' — *The Times Literary Supplement*

'The first serious attempt to explain to a general readership what has made Navalny stand out among Russian politicians and what made him a target for the authorities.' — BBC News Russian

'Does a fine job of presenting an account of the various different contexts that have shaped Navalny's political trajectory.'
— *The Moscow Times*

'Timely and expertly-written . . . The authors deploy their formidable collective talents to delve into and explain the specifically Russian context of Navalny's brand of activism. . . The essential primer.' — Dr Fiona Hill, Brookings Institution senior fellow and former advisor on Europe and Russia on the US National Security Council

New Perspectives on Eastern Europe and Eurasia

Series Editor: Ben Noble

The states of Eastern Europe and Eurasia are once again at the centre of global attention, particularly following Russia's 2022 full-scale invasion of Ukraine. But media coverage can only do so much in providing the necessary context to make sense of fast-moving developments. The books in this series provide original, engaging and timely perspectives on Eastern Europe and Eurasia for a general readership. Written by experts on—and from—these states, the books in the series cover an eclectic range of cutting-edge topics relating to politics, history, culture, economics and society. The series is originated by Hurst, with titles co-published or distributed in North America by Oxford University Press, New York.

Series editor: **Dr. Ben Noble** is Associate Professor of Russian Politics at University College London and Associate Fellow at Chatham House. He is the co-author of the critically acclaimed *Navalny: Putin's Nemesis, Russia's Future?*, also available from Hurst.

OLGA ONUCH & HENRY E. HALE

The Zelensky Effect

'Deeply researched and well-argued.' — Serhii Plokyh, *The Washington Post*

'Refreshingly data-driven and convincing on why [Zelensky's] brand of Ukrainian-ness – emphasising "civic duty, the importance of Ukraine's diversity, and the common quotidian experiences that bound Ukrainians together" – has such appeal.' — *TLS*

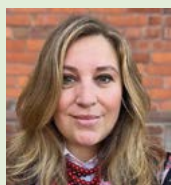

'Packed with statistical analysis of polling data, social media posts, articles, and speeches, this book answers many questions about how unified resistance on the ground has repelled the mightier Russian military.' — *Foreword Reviews*

'The go-to book for grasping Ukrainians' morale in the face of Russian aggression, and the determination of their president, who has demonstrated atmospheric levels of heroism and leadership—perhaps unlike any other in the world in recent decades.'

— Marc Berenson, King's College London

'This wonderfully written and engaging book documents the emergence of Ukrainian civic national identity, best exemplified by Zelensky. A must-read.' — Eugene Finkel, Johns Hopkins University

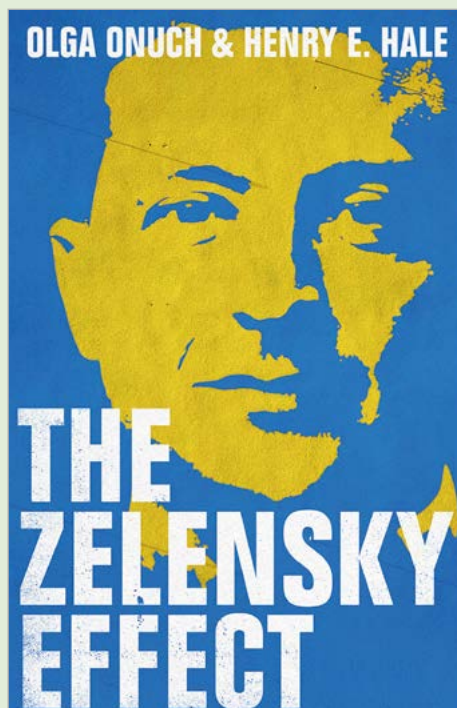

'Drawing on years of research on Ukrainian politics and society, this timely study paints a fuller picture of Zelensky and the conditions that made him who he is today, and deserves a wide readership at this critical moment in European history.' — Gwendolyn Sasse, Director of the Centre for East European and International Studies (ZOiS)

Olga Onuch is Senior Lecturer in Politics at the University of Manchester.

Henry E. Hale is Professor of Political Science and International Affairs at George Washington University.

Max speaks German, Russian, Georgian and Spanish, and has written for the *Financial Times*, the *New Statesman* and *Foreign Policy*, alongside a regular column for *Al Jazeera*.

MAXIMILIAN HESS

Economic War

Ukraine and the Global Conflict between Russia and the West

'Hess examines how Russia's response to the west's economic sanctions following the first invasion of Ukraine in 2014 helped to set the stage for [the current] conflict.' — *Financial Times*

'Timely.' — *Diplomatic Courier*, '15 Books to Look Forward to in 2023'

Vladimir Putin's first invasion of Ukraine, in 2014, set off a global economic clash, as the West used its clout with international markets to deter and penalise the Kremlin. The battlelines of this 'war by other means' traversed a series of deep economic connections, built up during Russia's oil, gas and commodities boom: global equity and capital markets, and transnational kleptocracy. Maximilian Hess's startling book lifts the lid on Russia's response to Western sanctions, and the ensuing skirmishes in London's courts, on Swiss trading desks and in boardrooms in New Delhi. He explores how pipelines, mines, loans and crypto-markets were weaponised. This narrative sets the stage for Putin's all-out assault on Kyiv in February 2022, which turned financial, food and fuel markets into bona fide battlefields, bringing the fight into everyone's home, from Pennsylvania to Pakistan. How this economic warfare turns out will determine the future of liberalism and democracy.

IAN GARNER

Z Generation

Into the Heart of Russia's Fascist Youth

'A chilling investigation into the widespread support for the violence and ideology of fascism among Russia's youth—and how Putin has used this to his advantage.' — *Financial Times*

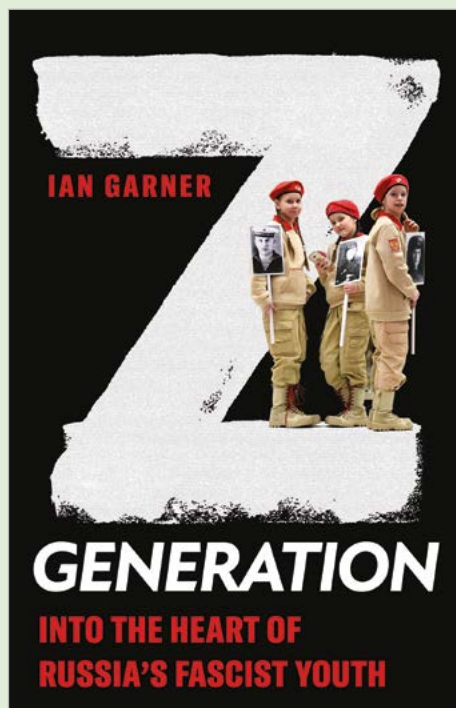

'[Z Generation] is invaluable to understanding how the conflict may well progress.' — *Diplomatic Courier*, '15 Books to Look Forward to in 2023'

'Ian Garner has produced a brilliant and chilling investigation. He meticulously details how extraordinary levels of hate permeate a large section of the under-30s, who came of age under Putin's tutelage. No one can finish this book and still believe the invasion of Ukraine was just the fault of one bad guy in the Kremlin. As Garner so expertly shows, whatever happens in the war, we will be dealing with the consequences of Russian fascism for years to come.'

— Nick Cohen, *Observer* columnist and author

'What do young Russians think about their country, Putin and the world? Why do many tech-savvy, successful and well-educated young Russians support their country's invasion of Ukraine? Combining personal observations and academic research, this provocative book addresses questions crucial for understanding Russia's past, present and future.'

— Eugene Finkel, Johns Hopkins School of Advanced International Studies

ANNA ARUTUNYAN

Hybrid Warriors

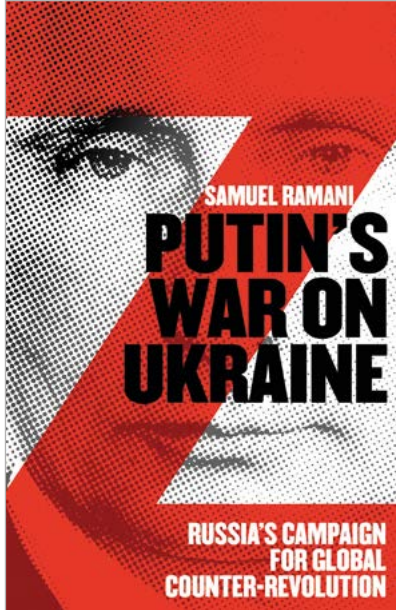

Proxies, Freelancers and Moscow's Struggle for Ukraine

A *Diplomatic Courier* Best Read of 2022

'In her illuminating, well-researched book, Arutunyan sets out a nuanced argument about the Donbas conflict.' — *Financial Times*

'Truly one of the most insightful books released this year ... Sharp, incisive, insightful, and presents a much-needed complex and nuanced look at what is assumed to be a well-known story.' — *Diplomatic Courier*

Anna Arutunyan is a Russian-American journalist, author and analyst. She covered the 2014 war for *USA Today* from Crimea and Donetsk, and her book, *The Putin Mystique* was published in over a dozen languages.

SAMUEL RAMANI

Putin's War on Ukraine

Russia's Campaign for Global Counter-Revolution

'Looks behind the headlines to determine the motivations for the invasion and the likely path forward. Ramani is convincing in his view that the war marks a seismic shift in the geopolitical landscape. Clear-minded and authoritative, this book is a thorough analysis of how Putin's gambit fits into the big picture.' — *Kirkus Reviews*

'This book will help those who cannot understand why and how a genocidal war of colonial reconquest came to be launched on Europe in the twenty-first century. But it also explains clearly the vital importance of that war for the future of Russia itself and of global security.' — Keir Giles, Research Director, Conflict Studies Research Centre

Samuel Ramani DPhil teaches Politics and International Relations at the University of Oxford and is the author of *Russia in Africa*, also available from Hurst.

NEIL KENT

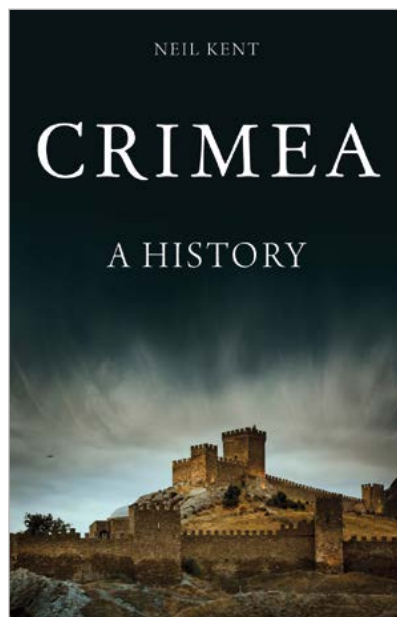

Crimea

A History

'Neil Kent has produced a fascinating account of the history of Crimea. He takes readers through the history of the peninsula, from Ancient Greek colonies and Ottoman palaces resting on the slopes of the magnificent bays of the Black Sea to such cosmopolitan cities as Sevastopol and Feodosia, in and around which so many deadly battles were fought by Russia, the Ottoman Empire and its Western European allies during the Crimean War. His conclusions are thought-provoking and at times even controversial, and will encourage lively debate on many aspects of Crimean history, ancient and modern.'

MICHEL ELTCHANINOFF

Inside the Mind of Vladimir Putin

'[A] slender but sizzling book . . . essential reading for anyone who wants to know where the regime in the Kremlin is heading – and what it means for the rest of the world.' — *The Times*

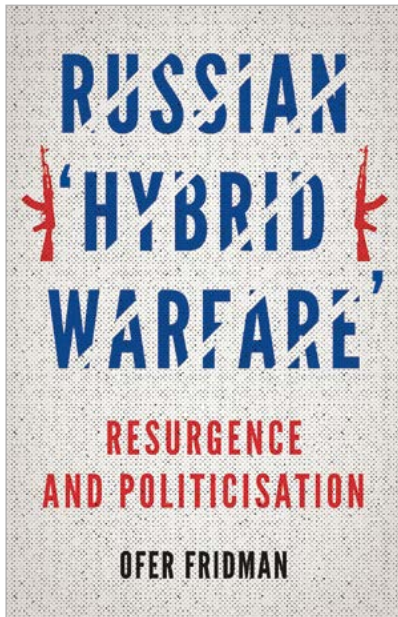

'The book's strength is . . . its mapping of the wider intellectual climate in which Putinism has thrived. . . . Eltchaninoff manages to sketch an evolution in Putin – or at least in Putin's self-portrayal – from westward-looking moderniser to unapologetic conservative, a shift traced through the increasing presence of chauvinist, anti-western thinkers in his writings.'

— *The Irish Times*

BORIS BOGACHEV

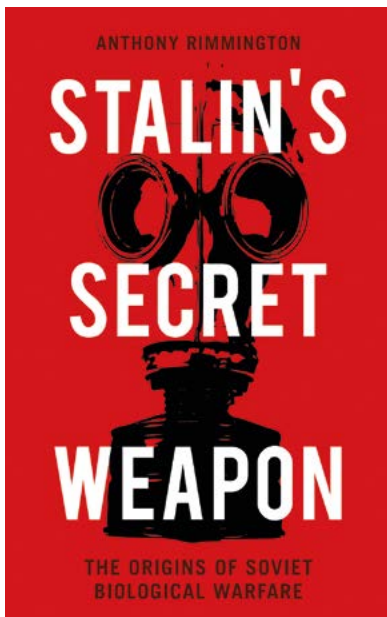

For the Motherland, For Stalin!

A Red Army Officer's Memoir of the Eastern Front

'A valuable document ... unusually candid and humane.' — *The Sunday Telegraph*

'This remarkably honest memoir. . . shows in exemplary ways the extent to which rule breaking and the outright refusal to obey orders were endemic necessities in this war. . . An incredible resource for anybody teaching this war in the English-speaking world.' — *European History Quarterly*

Born in Penza, Russia, **Boris Bogachev** (1924-2015) was a teenager living in Odessa when Germany invaded the USSR in 1941. He joined the Red Army, trained as a military lawyer, was involved in the rehabilitation of Stalin's victims and served as a judge on military tribunals.

Anthony Rimmington is Honorary Senior Research Fellow at the Centre for Russian, European & Eurasian Studies, University of Birmingham.

DAN KASZETA

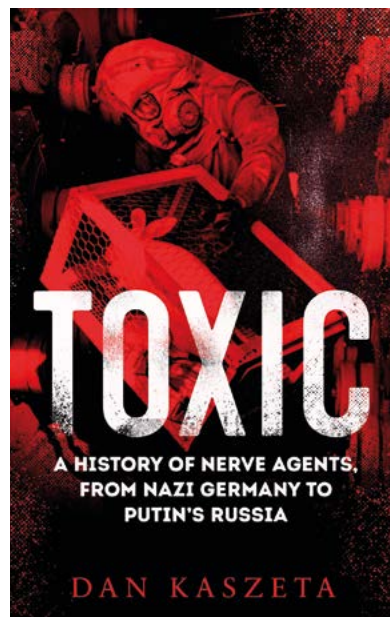

Toxic

A History of Nerve Agents, From Nazi Germany to Putin's Russia

'[Kaszeta] reminds us that even with an international convention banning them, the threat of chemical weapons being used outside conventional warfare is ever-present ... [his] book is informative.' — *Nature*

'Dan Kaszeta weaves an extraordinary narrative from the secret history of some of the deadliest substances ever created. From the plains of north Germany to the suburbs of Damascus he explains the development and use of nerve agents, employing his own deep knowledge, telling detail, and deadpan humour.'

DAN KASZETA

The Forest Brotherhood

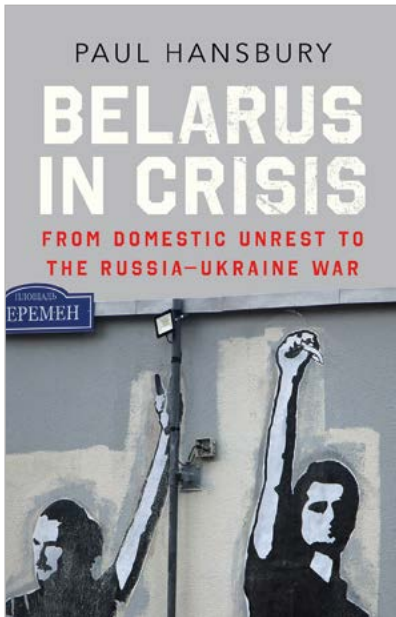

Baltic Resistance against the Nazis and Soviets

Variously labelled 'freedom fighters' or 'Nazi bandits' by historians, the Baltic partisans who would become known as the Forest Brothers fought a long campaign against occupation that eventually failed under the might of the USSR. Drawing on extensive archival material rarely seen outside the Baltic states, *The Forest Brotherhood* unpacks the forgotten story of this resistance movement, and reveals its continuing impact on today's world.

Dan Kaszeta is a specialist defence and security consultant of Lithuanian ancestry, who has long studied Baltic history. An associate fellow at the Royal United Services Institute, he has held positions in the US Secret Service and White House Military Office.

PAUL HANSBURY

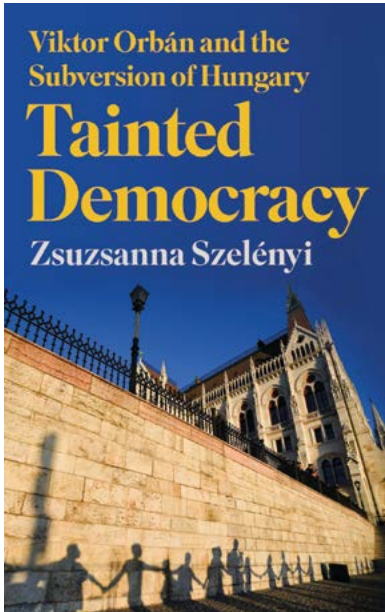

Belarus in Crisis

From Domestic Unrest to the Russia–Ukraine War

‘An accessible and insightful portrayal of this much-neglected country. Paul Hansbury weaves historical background and contemporary politics into a sympathetic tapestry, depicting a long-suffering people hijacked by a dictatorial regime and its Kremlin backers.’ — Edward Lucas

‘Hansbury’s understanding of Belarus is deep and nuanced. Analysing the causes of the 2020 protests in Belarus and explaining the evolution of Belarusian politics since independence, this is a timely, engaging and fascinating read. Excellent.’ — Ekaterina Pierson, Université Libre de Bruxelles

Paul Hansbury works with a number of Belarusian organisations, including Sense Analytics, a political consultancy, and the Minsk Dialogue Council on International Relations, a think tank.

MARA KALNINS

Latvia

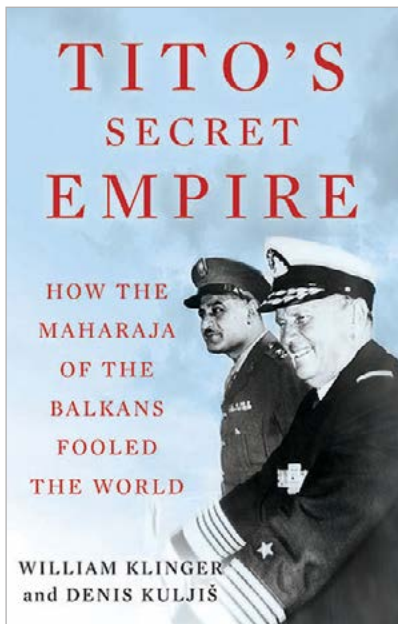

A Short History

The history of the Latvian people begins some four and a half millennia ago with the arrival of the proto-Baltic Indo-Europeans to northern Europe. This book traces the genesis and growth of Latvia, its endurance over centuries of conquest and oppression, the process by which it achieved its independence, and its status as a member of the European community in the twenty-first century.

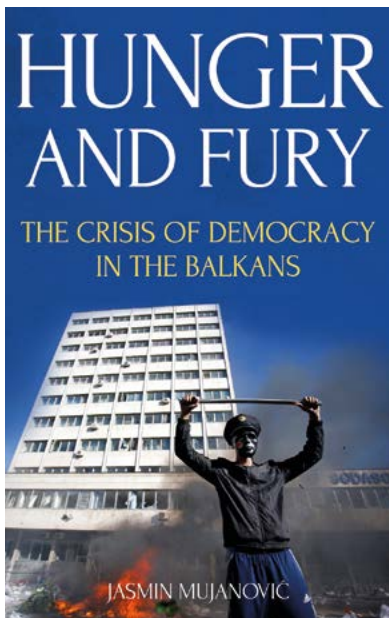

Mara Kalnins is a fellow of Corpus Christi College and formerly University of Cambridge Reader in Modern Literature. Her last book, *The Ancient Amber Routes*, explored the links between the Baltic and Classical worlds.

**GÉRARD DÉDÉYAN, AGO DEMIRDJIAN
AND NABIL SALEH**

The Righteous and People of Conscience of the Armenian Genocide

Inspired by the concept of the Righteous Among the Nations at Yad Vashem, this book tells the stories of the Muslims, Christians, Jews and humanists who were courageous enough to make a stand against the mass slaughter of Ottoman Armenians in 1915, the first modern genocide. This study, based on fresh research and inspired by the authors' desire not only to address a major injustice but also to repay a personal moral debt to the Ottoman Muslims who risked their lives to rescue their own parents and grandparents, makes an important and moving contribution to an aspect of this tragedy that has hitherto received little attention.

Gérard Dédéyan is Professor of Medieval History at the Université Paul-Valéry Montpellier III. **Ago Demirdjian** is an entrepreneur-philanthropist whose parents escaped the Armenian genocide thanks to the Righteous. **Nabil Saleh** was a novelist and international lawyer whose grandparents survived the genocide.

ED PULFORD

Mirrorlands

Russia, China, and Journeys in Between

['Fascinating and enlightening'. — *Foreign Affairs*

'[Pulford's] exchanges – with market stallholders, passengers on the train or bus, receptionists and anyone else who will talk to him – form the core of his book. He intersperses them with snippets of history, all scrupulously accurate, and with descriptions of the cities he visits.' — *Times Literary Supplement*

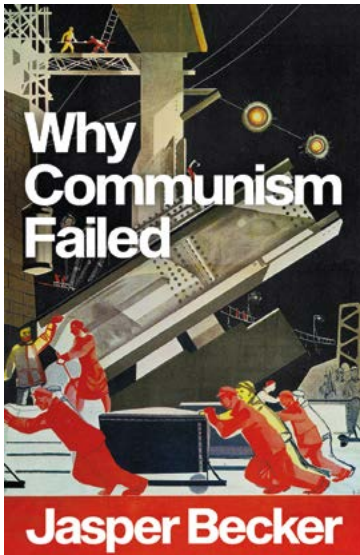

'As sparkling as it is informative, Ed Pulford's wonderful book shines a rare light on the borderlands of the Far East between Russia and China.'

— Peter Frankopan

Ed Pulford is a Lecturer in Chinese Studies at the University of Manchester.
